About This Content

From mysterious wizards to powerful titans, Monster Pack II battlers are a journey into the mysterious world of fantasy monsters. Including both the classic staples such as golems, dragons and imps, as well as unique enemies such as possessed statues, cave beasts and juggling jesters, this brightly-colored set is there to help you enhance your enemy encounters.

Whether you're on a lookout for a new enemy rotation or need an inspiration boost for constructing your game's lore, Seraph Circle: Monster Pack II is a fantastic addition to your growing library of RPG Maker Resources.

Features:

- 19 unique battler types, with multiple variations for a total of 99 battlers.
- Front and side views available.
- Unique painted style, with bright colors and contrast that matches Seraph Circle Sideview Battler Pack 1.
- Illustrations based on both classic fantasy and modern imagination, for a memorable look.
- Formatted for use in RPG Maker MV.
