English,Simplified Chinese,Traditional Chinese

bought the game to support the dev

waiting for the English version. I dont know what to say, almost everything told already by people here...
Just big support and love.

. I don't really read nor speak Chinese but i wanted the developers to be happy I honestly feel you because i've been through there the feeling of rejection... anyways i am looking forward to play the English version of this game to really show our support for you guys. I wish you good luck in the future and i hope you will find love soon. Cant speak\read chinese, but i want to support this guy, hope you gonna find someone to love soon.
